

Subject Termination of Participation

This program designates whether a participant can continue research studies at WVU CPRC.
You may be discontinued as a participant for the following reasons:

- **Tobacco use**
- **Positive HIV/HEP**
- **Disruptive behavior**
- **Repeated violations of facility rules and regulations**
- **Falsifying your personal healthy history, and/or information**
- **Other criteria determined by physician and/or WVU CPRC staff**
- **Repeated non-compliance**
